We are excited to share some great news with you! As of January 1, 2025, Integrity Urgent Care has acquired Quick Visit Urgent Care in Bonham, Texas. We are thrilled to expand our reach and continue serving the Bonham community in addition to some of our nearby locations in Anna and Greenville, TX. This acquisition allows us to bring even more accessible, high-quality care to the area, and we're excited to be part of your healthcare journey.

What Does This Mean for You?

As we make this transition, there are a few important updates we want to share. Integrity Urgent Care has made the decision to scale back on primary care services at this location in order to strengthen and prioritize our urgent care offerings.

We understand that this may affect some of our current primary care patients, and we are here to help make this transition as smooth as possible. We are committed to providing continued care for the next 60 days, giving you time to find a new primary care provider. During this period, we are happy to assist you with transferring your medical records to your new provider upon receiving your signed authorization. Additionally, Integrity Urgent Care offers virtual primary care services in both Texas and Oklahoma. To learn more about these services, please visit our website at www.IntegrityUC.com.

Services We Offer

As a walk-in clinic, Integrity Urgent Care provides a variety of urgent care services, including treatment for fractures, sprains, cold & flu, allergies, ear infections, minor wounds, sports and work injuries, as well as on-site x-rays and in-house testing for COVID, strep, flu, RSV, and more. We also offer employer services like drug screenings and DOT physicals. For your convenience, online reservation spots are available to help you plan your visit.

Urgent Care vs. Primary Care

Urgent care addresses immediate, non-life-threatening conditions such as injuries, infections, and viruses, while primary care focuses on the long-term management of chronic health conditions and routine check-ups.

New Hours of Operation

To better serve the community, we are extending our hours. Our updated hours are:

Monday through Saturday: 8:00 AM – 8:00 PM

Sunday: 10:00 AM – 6:00 PM

We're also pleased to announce that the exceptional staff you've come to know and trust are still with us, and you'll continue to see the same friendly faces at our Bonham location. We are excited to maintain the high level of care you expect.

Thank you for trusting us with your healthcare needs. We look forward to continuing to serve you and wish you the very best of health moving forward.
